
SAL1

Dual Swing Arm Wall Mount for 22-32” Plasma/LCD screens (adaptor for LWB1)

Overview

- *Suitable for almost all screens between 22-32” screen size*
- *Maximum load capacity up to 60kg with LWB1*
- *Easy and quick installation with LWB1*
- *Adjust the viewing angle directly at the adapter for a comfortable viewing position*
- *Large range of motion provided by three swivel points*
- *Solid powder coated steal construction*
- *10 years warranty*

The dual swing arm wall mount adaptor SAL1 for 22-32” plasma / LCD displays offers ultimate flexibility and optimal adjustment possibilities for your screen*.

The SAL1 adapter can be easily extended, tilted, turned and swiveled to set the plasma / LCD display into the most desirable position. It can be retracted to the wall when extension is not needed.
The solid construction with a heavy wall plate and an additional supporting plate at the adapter carries a load capacity of up to 60kg.

It finds applications in places where flexible viewing solution is needed including:

Applications:
- conference rooms
- schools
- offices
- laboratories and hospitals
- homes

* The product can be ordered in combination with universal adapter LWB1.
